EXHIBIT 1 TO ON-LINE APPLICATION

Additionally, Applicant had submitted this Application to the Commission on December 20, 2001 for filing. However, due to a computer server error, the Application was not processed. II. PUBLIC INTEREST CONSIDERATIONS

By granting this application, the Commission will serve the public interest, convenience, and necessity by promoting competition in international services in the international service market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by grant of Section 214 authority to IGCI.
